Hi, Thomas and Jim! J
I'm so sorry it took me so long to get back to you on this. I tried searching on our doc log and in Oculus for this information and only part of it was on the log and none of it was in Oculus. I managed to locate the 8700-12FL we received in June on the completed log which indicated the insurance had been received May 4th and that the HWT certification letter had been emailed on June 6th. I had to go find the data entry person since I couldn't locate *any* of this. It took a while since she couldn't even find the insurance certificate, either.

Please find attached a copy of the packet which contains the 8700-12FL, status form, insurance certificate of liability (expires Aug 2009) and certification letter that was emailed to Bay Line RR last month.

Again I apologize for this information not being in Oculus for your convenience and perusal. I am happy to have located it all for you, however. Please let me know if I may be of further assistance.

The following is from our completed doc log http://tlhdwm6/rcra/BSHWITProjects/DocLog/notif_Completed.asp

BAY LINE RAILROAD LLC

City: PANAMA CITY	,County: Bay	,Login Name: Null

HWT : aswindall@gwrr.com HWR : aswindall@gwrr.com

Yvonne,

Please verify the current status of Bay Line RR in completing all certification requirements as a Hazardous waste Transporter. Has a current Certificate as a HW Transporter been issued to Bay Line RR?

Thank You.

Thomas Dillard
FDEP

They actually indeed did recently submit. Sorry, that one snuck by me. Please find attached what was submitted. They didn't submit the insurance certificate with this 8700-12FL. I'm attaching a copy of the last insurance paperwork we received from them. It seems to be the same company (Lexington), but it expired in August 2008.

Hope this helps. Please let me know if I may be of further assistance.

Thank you and have a great day,

Yvonne D. Peters

I will be meeting with BAY LINE RR reps tomorrow to discuss their annual re-registration issues. I have heard that they have sent some paperwork to Tallahassee (HW Transporter Registration) with respect to the liability insurance requirements.

Could you please see if you could get an electronic copy of their old insurance (expired in fall of 2008) and a copy of the newly submitted (current) proof of insurance. Please send to both me and Thomas D., I will be on the road to Panama City tomorrow morning for the meeting with them in the Branch Office.

I feel guilty asking you to do this, you seem to our "go-to-person" in Tally currently. :^>
