The request is granted. Veolia will be given until April 15, 2011 to submit their permit renewal application in order to incorporate the changes that were discussed at the enforcement meeting.

Subject: Time Extension - Veolia Application submission.

Tony and Bheem,

This Wednesday, March 30th, is the due date for Veolia's permit renewal application.

Due to an enforcement meeting I conducted with Veolia representatives last Thursday, I am requesting on behalf of Veolia, a time extension to delay submission of the application until April 15, 2011.

This request for delay is to allow time for Veolia to incorporated changes into the application that were discussed at the enforcement meeting.

Please ensure Veolia (Wayne Bulsiewicz) is notified of your decision.

Thanks, Jim Byer
