TriumvirateEnvironmental_Ft. Lauderdale Used Oil-FL DEP Form 62-701.900 (8).pdf

---

Bheem,
We mailed the Name Change form (62-701.900(8) with required signatures on Thursday, Sept. 22, 2011. A copy of our submittal is attached. Perhaps I misunderstood but I thought the Part I was not required if we filed the Permit Transfer/Name Change form, since we are making no changes at the facility. Therefore, the facility operations and information provided on the previous Perma-Fix application would be applicable. Please advise...thank you.

Sandra Perry

**Subject:** RE: Triumvirate Environmental Permit Fees

Hello Jeffery and Sandra:

It is just a reminder to you to submit the below items 1 and 2 as I requested on September 8, 2011 for UO permit transfer for Perma-Fix of Ft. Lauderdale facility. The remaining items are appears to be in order. Please submit ASAP, so that the permit can be officially transferred with the new company name "Triumvirate Environmental (Florida), Inc. (TEFI)" .

Note: Facility Name: Perma-Fix Of Ft. Lauderdale; Facility I.D. No: FLD 981 018 773; and Permit No: 77390-HO-004

If you have any questions, please let me know.

Bheem

**Subject:** RE: Triumvirate Environmental Permit Fees

Hello Jeffrey,
To obtain UO permit transfer, you need to submit the following documents;

1. Completing DEP Form 62-730.900(1)(a) effective 1-29-206 OR DEP Form # 62-701.900(8), F.A.C. (Application for Transfer of Permit OR Notification of Name Change).
2. Completing Application Form For A Used Oil Processing Permit (DEP Form 62-710.900(6), effective June 9, 2005 (Pert I General).
3. DEP Form 8700-12FL.
4. Permit Transfer Fee $ 50.00.
5. Financial Assurance for the approved amount. For example: UO, Closure cost estimate amount is: $ 439, 299.00 (Frank Hornbrook reviewing the submitted documents).
6. Permit transfer request cover letter.

Note: Jeffery, you should also obtain a New "HW as well as UO Transporter Certifications" from the Department. These two transporters certifications also require Financial Assurance (FA) requirements. I am sure Aprilia Graves will help you in this matter.

If you have all the above documents properly completed, you permit request transfer can happen with no time provided you already complied with Financial Assurance.

Jeffery,
If you have any questions, let me know.

Bheem

Merlin,

Thanks for passing that along. I will send you two separate $50 checks for the HWTSD Permit and Used Oil/Solid Waste Combined Permit at your address and will send another $50 check to Kim Rush at the Solid Waste Program Department in Orlando.

Thanks for your help.

Best,

Jeff

Hi Jeff,

Here you go:

1. Perma-Fix of Orlando, HWTSD and Perma-Fix of Ft. Lauderdale, Used Oil (UO and Solid Waste combined) permit: You can send these to me, using my address below. I'll walk the check over to the person who processes the fees.

2. Perma-Fix of Orlando, Solid Waste Management Facility permit: Florida Department of Environmental Protection, Central District, 3319 Maguire Boulevard, Suite 232, Orlando, Florida 32803-3710. Not sure of the correct person to send this to. Janine, can you let Jeff know? Thank you.

Keep the Tallahassee checks separate.

Call if you have questions.

**Subject:** Triumvirate Environmental Permit Fees

Merlin,

My name is Jeff Coombs and I work with Jim Green from Triumvirate Environmental. I am working on getting the 3 $50.00 checks for the DEP for the permit transfers for Triumvirate; could you please send me the addresses of where these checks need to go? I know one needs to go to Orlando and the other 2 need to go to Tallahassee but I want to ensure the proper individuals at the proper

addresses get these checks.

Thanks Merlin.

Best,

Jeff
