Subject: Lighting Resources DEP Application Revision #1 (EMAIL 2 OF 2)

Tony / Bheem / Janine:

Attached are two files. The first file (PDF) contains the Application part 2 of 2 - - due to file size I had to break the file into two parts (please see first email sent for Part 1 of 2 file). Part 2 contains all Appendices. The second file (Excel file) contains the backup data for the closure cost spreadsheets including inflation factors, assumptions, and formulas, etc.

If you have any questions or problems with any of the files, please contact me.

Thanks
Pam
