Tom,

I hope you are doing well.

I apologize for not getting this report to you sooner ahead of our meeting tomorrow. Hopefully your Department will still have time to review for discussion.

Attached is the JED landfill SVE progress report for July 2013.

The report addresses concerns listed in the FDEP letter dated May 21, 2013.

We look forward to discussing further at tomorrow's meeting with you.

Please let us know any questions.

Thanks
