Good Morning Gents,

This is just a reminder that financial assurance is required, as noted in DEP's September 3, 2010 letter that approved the RAP. That letter stated that financial assurance be provided 30 days after permit modification issuance. The requirements for financial assurance for remedial activities is found in Rule 62-730.226, F.A.C. Specific questions on financial assurance requirement, financial instrument, etc. can be directed to Edgar. His telephone number is 850-245-8793.

Edgar, the cost estimates are in the RAP. If you need a copy, let me know.
