Gents,

Draft permit conditions attached. I'd like to go with the Intent to Issue before Christmas. Please let me know by December 12 if you have comments. Thank you.

Tony,

If you do not have time to look over these draft permit mods today, I'd like to send them on to Safety Kleen and the district while you are out so we can keep this moving. I can ask them to have comments back after Thanksgiving when you return (Maybe NLT Dec. 3). It should not take SK long to look over. It is straightforward but they may be taking a little time off for Thanksgiving also.

To help everyone out, the changes are in red.
