EPA plans to visit the Perma-Fix of Florida facility on May 9th in conjunction with two "Availability Sessions" for the afternoon and evening. Alachua County EPD received the attached notice by mail. I figured I would let you know in case you had not heard anything from EPA.

Thanks,
Kurt

The University Library was not available. I scheduled the meeting at the Millhopper location. I hope that is acceptable. Let me know if you have any questions. Looking forward to meeting you the morning of May 9th.
