Good afternoon Mr. Fernandez,

The purpose of this correspondence is to transmit information from the Florida Department of Environmental Protection to the contact of record for the facility listed above. On December 04, 2019, the Department conducted a hazardous waste compliance evaluation inspection at your facility which appeared to be in compliance at the time of inspection.

Most information received or sent by the Department is public record and is placed into OCULUS, an electronic database. You can view this and other documents for this facility once they become available tomorrow morning at the following link: Clean Fuels of Florida, Inc EPAID: FLD984171256

Please contact me if you have any questions about the inspection or any other compliance related issues. Thank you for your cooperation.

Best Regards,

Justin Stark
