Hi Guys,
Attached is a form 8700-12FL and instructions on how to properly complete it in order to update your facility's information. I'm cc-ing Tony Tripp on this e-mail (his contact information is below) as well, as he's the one who can guide you more accurately as to what needs to be submitted and where in order to expand and update your facility's operations.

If you have any questions please don't hesitate to contact us.

Thank you,
Maddie Gierczak

Hello Maddie,

You are correct. They do need to notify us prior to such changes. They are also subject to the requirements of 62-730.182(3)-(8), F.A.C., regarding potential substantial modifications requirements.

I have not received any notifications to date.

Thanks.
