Russell,

I apologize for the tardy check. I'd like to suggest that should the check not show up in Tuesday's mail, please call me and my finance department will put a stop on the wayward check, and at the same time – it might take a few hours Tuesday – they will cut another check. I will then overnight that check to you.

As for a tracking number, I'm being told that the check went out with the USPS and is not trackable.

Regards,

Rich

Merlin,

Triumvirate Environmental has uploaded the application to: ftp://ftp.dep.state.fl.us/pub/incoming/DWM under the folder Triumvirate Environmental - Orlando Part B Permit Renewal Application. This afternoon the larger maps and PE signatures will be added to that folder completing the application. The check, for $10,000, is being sent from our corporate office in Somerville Massachusetts. Also, two hard copies are being sent, one to Tony Tripp and Merlin Russell and one to Janine Kraemer.

Thank you for your initial pre-submittal review and for the site visit.

Thanks Merlin,

The application is due tomorrow, 5/10. Is it acceptable to send the electronic copies, with signatures and stamps, to you tomorrow and overnight the hard-copies? The hard-copies may not make it to you by the end of the day tomorrow.

Thanks,
John

Good Morning John,

Fees are found in Rule 62-730.293, F.A.C. The fee for a container or tank storage or treatment unit is $10,000. I don't believe this is the case but IF you are planning to do treatment in some unit other than a tank or container, that would be a miscellaneous unit, and that is a $15,000 fee.

Janine will need one hard copy. Tony and I will need one hard copy and one electronic copy. You can submit the electronic copy on a CD or e-mail it to us. If you e-mail it, you will probably need to post it on our .ftp site located at: ftp://ftp.dep.state.fl.us/pub/incoming/DWM. Our e-mail will only allow up to about 10 MB attachments. If you post it on the .ftp site, you will need to let me know so I can retrieve the files(s) because it will be purged in about 10 days.

Let me know if you have any questions.

Hi Merlin,

We are almost done with our Part B permit application. How much is the application fee and who should we send the application to?

Thank you!
