Re: Response dated June 6, 2017 to the Request for Additional Information No. 1 (RAI#1) letter dated January 13, 2017 pertinent to a Waste Tire Processing Facility Permit transfer request from E.A Tires International Corp. to Miami Tires Wholesale, LLC for the facility located at, near, or in the vicinity of 3729 NW 71 Street, Hialeah, Miami-Dade County, Florida; FDEP Project No. 304660–002-WT / WACS No. 99436 / DERM File No. SW-1711.

Dear Mr. Natoli:

The Environmental Permitting Section (EPS) of the Department of Regulatory and Economic Resources (RER)-Division of Environmental Resources Management (DERM), under delegation by the Florida Department of Environmental Protection (hereafter jointly referred to as the Department), hereby acknowledges receipt of the referenced submittal on June 6, 2017. Please see the item checked below for the status of your application.

☐ This letter constitutes notice that a permit will be required for your project pursuant to Chapter(s), Florida Statutes.

☐ Your application for permit is complete as of xx-xx-xxxx and processing has begun. You are advised that the Department under Chapter 120, Florida Statutes, must take final action on your application within ninety (90) days unless the time is tolled by administrative hearing.

☒ Your application for permit remains incomplete. Please provide the information requested on the attached sheet within forty-five (45) days of receipt of this letter. Evaluation of your proposed project will be delayed until all requested information has been received.

☐ The submittal to the referenced RAI was reviewed and deemed incomplete. Therefore, the additional information requested in the (attached) shall be submitted within forty five (45) days from the date of this letter. Further evaluation of the permit modification will be delayed until the outstanding RAI items have been addressed.

☐ At this time, no permit is required for your project by the Solid Waste Section. Any modifications in your plans should be submitted for review, as changes may result in permits being required. This letter does not relieve you from the need to obtain any other permits (local, state or federal) that may be required.

If you have any questions regarding the above, please contact Francisco T Calleja, P.E. or Johnny Vega, P.E. with the DERM Environmental Permitting Section at telephone number (305)372-6600 or via email respectively at paloms@miamidade.gov and vegajo@miamidade.gov.

Sincerely,

Rashid Z. Istambouli P.E., Chief
Pollution Regulation Division
