Dear Mr. Steltenkamp:

The purpose of this letter is to complete the resolution of the matters previously identified by the Department during hazardous waste inspections on November 8 and 14 and December 16, 2005 at the International Paper Company facility located in Cantonment, Florida. Thank you for meeting with us February 2, and May 22, 2006 to discuss an amicable resolution of the issues which are specifically outlined in the attached Warning Letter and Inspection Report. If you agree to the terms outlined in this letter, please have the appropriate individual sign the last page where it states, "For the Respondent."

The corrective actions required to bring your facility into compliance have been performed. The Department finds that you are in violation of the rules and statutes cited in the attached Inspection Report, subparagraphs 10(a) through 10(d). In order to resolve the matters identified in the attached Warning Letter, you are assessed civil penalties in the amount of \$3,533 along with \$250 to reimburse the Department costs, for a total of \$3,783.

The Department acknowledges that the payment of these civil penalties by you does not constitute an admission of liability.
