Good Afternoon Christian,

Thank you for speaking with me this past Friday (07/17/2020). As discussed, the Department conducted an inspection of Invincible Boat and during the records review found one hazardous waste manifest in which Chem Kleans driver signed the generator part. Please ensure in the future that the generator part of the manifests are signed only by the generator.

Thanks again and please free feel to contact me if you have any questions. Stay safe!

Regards,

Justin Stark
