---

Mr. Garcia,

Good afternoon. I was good to meet you Wednesday during the inspection. Please find attached the Contingency Plan notifications, the daily inspections for 6/20/18 for both the CSB & WPB, and the inventory showing the oldest container on site. I will be sending over the financial documents in a separate email per our discussions. Please let me know if you have any questions.

Respectfully,

Ken Dean
EHS Compliance Specialist
