Greetings,

The Department of Environmental Protection is using electronic correspondence rather than paper mail to deliver documents faster while reducing costs and waste. Please click on the links below to access the above referenced documents in OCULUS, the Department of Environmental Protection's electronic document management system.

https://depedms.dep.state.fl.us:443/Oculus/servlet/shell?command=getEntity&[guid=2.478347.1]&[profile=Enforcement_Legal]

**To access the documents in OCULUS:**

1. Click on the link to open OCULUS at the Login screen.
2. Click on PUBLIC OCULUS login to view the search results screen.
3. Click the arrow button next to *view* in the Operations drop-down menu to open and view the document in its native format. Most OCULUS documents are in .pdf format. Acrobat Reader is required to read the document. The free reader can be downloaded from http://www.adobe.com/products/reader.html.

If you are interested in reviewing documents from the Department's Information Portal, you can access the portal at http://prodenv.dep.state.fl.us/DepNexus/public/searchPortal.

Thank you for your attention to this matter.

FL. Department of Environmental Protection
Southwest District Office

***PLEASE NOTE:*** Florida has a very broad public records law. Electronic communications regarding state business are public records available upon request. Your e-mail communications may therefore be subject to public disclosure.

Permitting Consistency Initiative: The Florida Department of Environmental Protection is committed to providing efficient, consistent and quality service to the citizens of Florida. In keeping with these objectives, we continue to identify ongoing improvements to our permitting process by standardizing and simplifying our documents. If you have recently received a permit, we'd love to hear from you! You're invited to take our 30 for 30 survey. It's quick, it's simple, and your comments will help us identify additional enhancements.
