> Hi Lisa,
>
> I wanted to inform you that the City of Apopka Council discussed an agreement with Waste Management to convert Vista Landfill to a Class I facility at their October 5th council meeting. There has been some press coverage about this topic and we have sent a letter to the Magnolia Park Estates HOA informing them of our future plans for Vista Landfill. Attached is additional information.
>
> We understand this is the first step of many in regards to the permitting process but I wanted to keep you informed in case you are contacted by City of Apopka residents.
>
> Please contact me if you have any questions.
