Good afternoon, Anita,

On February 26, 2019, the Department conducted a hazardous waste compliance evaluation inspection (CEI) for the above referenced facility regarding the closure of Used Oil Processing activities. During this inspection, HCC Pompano was found to be in compliance with the closure plan, state, and federal hazardous waste requirements. Please continue to comply with all applicable regulations.

Information received or sent by the Department is public record and is placed into OCULUS, the Department's electronic database for document storage. You can view the final inspection report and other documents at the following link: EPAID FLD984262410. Please select "Public OCULUS Login" to view the documentation. Please allow for one (1) business day for the final inspection report to be available in OCULUS.

Thank you again for your continued cooperation. Please do not hesitate to contact the Department should you need anything else. Thank you!

Best regards,

Alannah Irwin
