CAUTION: This email originated outside of Embry-Riddle Aeronautical University. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Good Morning Kalen,

There are 10 days left in your request for additional information window, but I was not sure if you are still proceeding with this permit. I recalled that the testing was to take place in February/March.

If you need to withdraw this permit please respond to this email indicating that you would like to withdraw.

Thanks,

Alyssa Kuhn

Greetings,

The Department of Environmental Protection is using electronic correspondence rather than paper mail to deliver documents faster while reducing costs and waste. Please click on the link below to access the above referenced document in OCULUS, the Department of Environmental Protection's electronic document management system.

https://depedms.dep.state.fl.us:443/Oculus/servlet/shell?command=getEntity&[guid=23.1112253.1]&[profile=Permitting_Authorization

To access the documents in OCULUS:

1. Click on the link to open OCULUS at the Login screen.
2. Click on PUBLIC OCULUS login to view the search results screen.
3. Click the arrow button next to *view* in the Operations drop-down menu to open and view the document in its native format. Most OCULUS documents are in .pdf format. Acrobat Reader is required to read the document. The free reader can be downloaded from http://www.adobe.com/products/reader.html.

If you are interested in reviewing documents from the Department's Information Portal, you can access the portal at http://prodenv.dep.state.fl.us/DepNexus/public/searchPortal.

Thank you for your attention to this matter.

Sincerely,

Florida Department of Environmental Protection
Central District Office

PLEASE NOTE: Florida has a very broad public records law. Electronic communications regarding state business are public records available upon request. Your e-mail communications may therefore be subject to public disclosure.
