Good morning Alexis;
It was great to meet you in person. Thanks again for delivering our goodies from the district office. We will snap a photo of it for you today and send it over. It is still just the adhesive sticker as we are waiting on our permanent sign. Once we get that signs we will send a photo of that as well.

Thanks, have a great day!!

Hi Alicia:

I hope you're well. I want to follow-up with you on the container created to store fluorescent bulbs in the household hazardous waste collection center at the Pasco County Resource Recovery facility. Did you label the container? If so, could you send me a photo of it by the end of the day Friday?
I greatly appreciate your assistance.

Thank you,
Alexis
