Good Afternoon,

This email serves as an exit interview for the Compliance Evaluation Inspection ("CEI") conducted on Wednesday, February 20, 2020 by the Florida Department of Environmental Protection ("FDEP") to determine compliance with federal and state regulations for hazardous waste.

The following records are required:

1. **Spill Prevention, Control, and Countermeasure (SPCC):** Pursuant to 40 CFR 279.45, transporters of used oil are subjected to all applicable Spill Prevention, Control and Countermeasures (40 CFR part 112). Please provide the most up-to-date SPCC.
2. **Training Records:** Pursuant to 62-710.600(2)(c) FAC, a transporter of used oil shall train its employees on proper used oil management and retain these records for at least three years. Please provide the facility's training records for 2020.
3. **Used Oil Annual Report:** Pursuant to 62-710.510(5) FAC, No later than March 1 of each year, each person required to register in accordance with rule 62-710.500, F.A.C., shall submit an annual report for the preceding calendar year to the Department on DEP Form 62-710.901(3), "Annual Report by Used Oil and Used Oil Filter Handlers. Although this reporting will be for the previous site, please provide the facility's annual report for 2019.
4. **Pictures:** Please provide pictures of the front, side and inside of the company's box truck.

I will try to find some guidance documents regarding using rail carts for used oil and send it in a separate email.

Please submit the above records within **14 days** of this email (03/05/2020). If you have any additional questions or concerns, you may contact me at this email address or the below phone number.

Thank you Larry for your hospitality during FDEP's CEI.

Regards,
