Subject: E.M.C. Oil Corp (EPAID FLR000000166) Exit Interview
Date: Monday, March 2, 2020 12:25:00 PM
Attachments: Hazardous Waste and Used Oil Handlers Workshop.msg

---

Maria,

This email serves as an exit interview to the routine Compliance Evaluation Inspection (CEI) conducted by the Florida Department of Environmental Protection (DEP) on Thursday, February 27, 2020 to determine your facility's compliance with Federal and state hazardous waste regulations. Thank you again for your time and assistance throughout the inspection. During the inspection, the facility was found to be in compliance with the state and Federal requirements for hazardous waste and used oil transporters. Please continue to comply with the applicable regulations.

The Department will prepare an inspection report as documentation of the inspection. Once the report has been completed, a copy will be furnished for your records. Additionally, as discussed during the inspection, the Department is holding a Hazardous Waste and Used Oil Transporter Workshop on March 24, 2020 in West Palm Beach. I have attached the official invite where you can find details and information to register to attend the workshop.

Please do not hesitate to contact the Department should you have any additional questions. Thank you for your continuous cooperation.

Regards,

Jared Heyns
