Bheem –

In reference to the attached Cliff Berry, Inc. – Permit Application request for Additional Information from the FDEP in Tallahassee regarding the renewal of our Used Oil Processing Facility Permit and modification for the installation of additional storage tanks at the CBI – Canaveral Facility, CBI would like to respectfully request an additional 30 days to respond with the additional information requested by the FDEP.

This request is made due to a current heavy work load and time constraints at CBI. The requested information will be provided to the FDEP in Tallahassee by Friday, March 15, 2013.

Thank you in advance for consideration of this request.

Regards,

Bill
