Ok, Just let me know once you get the affidavit. It has been 10 business days since your publication, so hopefully you will get it soon.

Have a good weekend!

Thanks,
Randall

Permitting Consistency Initiative: The Florida Department of Environmental Protection is committed to providing efficient, consistent and quality service to the

citizens of Florida. In keeping with these objectives, we are pleased to announce ongoing improvements to our permitting process by standardizing and simplifying our documents. Last fall, the Department began issuing permitting correspondence that is formatted consistently throughout all programs. Although you may receive documents that look slightly different from past correspondence, please be assured that the content continues to be driven by applicable Rules and Statutes. As always, if you have any questions, please contact your local Department office.

Adriana,

You are in compliance with the financial assurance portion. You should have received the Notice of Intent, which contains the information you have to publish in the newspaper of general circulation. Once it is published you need to mail us the proof of publication which the newspaper should provide you.

If you have any questions please let me know.

Thanks,
Randall Cunningham, DEP
