Kim:

I have several files related to the wetlands mitigation. Attached is my letter to the ACOE documenting purchase of credits to satisfy mitigation requirements for the jurisdictional wetland through the ACOE and FDEP. Also attached is a copy of the certificates and transfer letters from the other two mitigation banks documenting remaining credits needed to satisfy State/FDEP requirements for the isolated wetland. It's a little confusing. I'll check to see if I can track down an e-mail confirmation from the ERP group that we have satisfied their mitigation requirements.

Mike,
Do I remember correctly that you sent me proof of wetland mitigation for the landfill expansion area? I seem to remember that you did but I can't find it in my files – or am I just imagining that you did?
Thanks,

Kimberly Rush, P.E.
