I spoke to Ms. Ruth Reed today (352,351-0688 and 352-208-2233) about the permit renewal process for Friends C&D. She requested receiving specific notice if we issue a Notice of Intent to issue the permit renewal. Please make sure the NOI includes her as a "cc". She desires a paper copy of the NOI. It should be sent certified. The information is:

Please put this e-mail into oculus.
