Good Morning Everyone,

I talked to Terri last week and she told me these announcements were going to be sent out. As she explained, these "Availability Sessions" are informal public meetings that have seemed to work out pretty well with the public. Please pass the information on to any others that may need to be aware of these meetings. Thanks folks.

Merlin,
Please find attached the notices that will be sent out to the same mailing lists that we used for the public notices for Perma-Fix Florida-Gainesville and Clean Harbors-Bartow. Could you please forward the notices to those that would be interested within your Department?
Please let me know if you have any questions. Thanks!
Terri
