Good Afternoon,

This email serves as an Exit Interview for the Used Oil Compliance Inspection conducted at your facility SWA Equipment Maintenance located at 6255 N Jog Rd, West Palm Beach 33412 on 05/23/2023. First, I want to thank you and your team for your level of cooperation and for your time given during the inspection. We truly appreciate it.

As discussed during our visit, I am reaching out to you to request some additional information and supporting documentation to facilitate the completion of the inspection report that would count toward your compliance status. Please provide the following documentation by **06/07/2023**.

1. Submit 8700-12FL form (attached) to notify as a used oil filter transporter and a used oil filter transfer station **per 62-710.500 F.A.C..**
    a. please submit a copy to me and send it to the following address:

    "DEP Waste Management Division-HWRS MS4560
    2600 Blair Stone Rd. Tallahassee, FL 32399-2400 (850) 245-8707"

2. Provide photo documentation of all used oil caddies and tanks labeled "Used Oil" **per 40 CFR 279.22(c)(1).**
    a. Images attached
3. Provide photo documentation of used oil caddy catch tray cleaned out and free of oily rags and used oil filters.
    a. Image attached
4. Provide evidence of transporter training **per 62-710.600(2)(b+c) F.A.C..**
5. Provide description of contents in the unlabeled tank.
    a. Image attached
6. Provide a copy of the most recent used oil manifest.
7. It is a best management practice to containerize oily rags and absorbents but it is not a requirement, therefore I will not be requesting the addition of waste drums. Below is a link for more information.
