Good Morning Gloria,
The sampling company for Vista Landfill had to reschedule the sampling date to July 5 and 6 instead of the week of July 9. Please let us know if the Department has any issues with the rescheduling. Thanks.

Subject: Vista Landfill Semi-annual groundwater sampling

Ms. DePradine,

Vista Landfill needs to reschedule the semi-annual sampling event to the week of July 9th due to additional parameter requirements for the City of Apopka permit renewal. We are currently working with the City to verify the list of additional parameters required, thus the need for the delay. Please let us know if the Department has any issues with the rescheduling.

Thank you,
