Mr. Lewis,
I received your hard copy of the P2 Final Report, thank you. In order to allow this P2 project to offset the remainder of the penalty, we need an itemized receipt from Sunworks breaking down the $18,500 total, including parts and labor costs. Please submit this itemized receipt by May 31.

If you have any questions, please let me know.

Thanks,
Jenna Perry

Thanks Mr. Lewis. Would you mind sending over a hard copy with your original signature and a xerox'ed copy of the original receipts (the pictures were a little fuzzy)? Please also send an itemized receipt for the project and a closer picture of the addition, if you can get one.

If you have any questions, please let me know.

Thanks,
Jenna Perry
