**Subject:** IP Woodyard Oil Containment
**Date:** Monday, July 23, 2012 4:43:58 PM

---

Melissa,

In follow-up to our phone conversation last Wednesday July 18th attached and below is a photo of the containment to be used for the Woodyard oil. Note that the Red Woodyard oil tote will be taken out of service once it is emptied. The 550-gallon Black Woodyard oil tank will be moved to this 800-gallon containment area once the contents of the tank have been emptied.

If you have any questions or require further information, please feel free to contact me.

Sincerely,

John A. Taylor
