Subject: JED Omni Waste- mitigation credits

Hi Mike,

I searched through my old e-mails that were sent to you and I couldn't find one

stating that we had received all of the mitigation information. I did however find a copy of a memo that I wrote for one of the more recent projects at the landfill that states that all of the mitigation credits have been withdrawn for Permit file # 49-199752-006. I have attached it for you. Let me know if you want an e-mail from me stating that all of the mitigation requirements for that permit have been satisfied. Thanks.

Erica
