Dear Mr. McCully:

Thank you for your assistance during the hazardous waste compliance inspection conducted at your facility on November 28, 2012. Attached is the report that documents this inspection. Violations were noted at the time of the inspection, and the requested corrective actions have been completed to return your facility to compliance.

Your cooperation is appreciated. If you have any questions regarding this report or hazardous waste regulation in general, please feel free to contact at 561 681-6728.

Sincerely,

Greg Whitaker
