Good morning Bheem,

Sorry I missed your call. I will make sure the notice is published in the newspaper and will send verification to you. The notice list the permittee as HCC Environmental. May I change the name before the notice is published? I can send to the clerical team and they can make changes instantly. I know the permit had already gone forward before comments were submitted, but I was just checking to see if is possible to make changes before I send it to the newspaper. Thank you much.

Mr. Kothur,
We received the email and sending a response back to EPost. Aishah of Trihydro is a consultant and working on publishing the notice in a newspaper within 14 days after the 9/12/18 email was received. Thanks for the phone reminder.

Aishah,
After the notice is published in the newspaper we need to provide proof to Bheem, then we will have the new permit if there are not any issues. As you are aware we have 14 days after the email was received to complete that item. Thanks
