Date: Tuesday, July 21, 2020 2:53:00 PM

Good Afternoon Ms. Rojas ,

Thank you for speaking with me today. As discussed, the Department conducted an inspection of Mister Environmental and during the records review found used oil manifests that were missing the generators (Mister Environmental) EPA ID. Please ensure in the future that if the generator has an EPA ID to include it on the manifests.

Thanks again and please free feel to contact me if you have any questions. Stay safe!

Regards,

Justin Stark
