El and Cory,

I understand that FDEP has on record a more recent version of the Tomoka Farms Road Landfill Operation Plan dated June 2014, than the version dated April 2014 that was submitted as part of the permit modification to allow for waste placement operations in the North Cell, Class I Area 3 of the Tomoka Farms Road Landfill. Please replace the April 2014 with the June 2014 copy.

Thank you, Mark
