Good afternoon,

I have received the documents that were sent over to my office, thank you. After review, the Department is still awaiting training records that show evidence of familiarity with applicable state laws and rules governing **used oil transportation**. Please see email below for more information. The training records that were sent over do not cover used oil transportation regulations.

Please provide evidence of familiarity with applicable state laws and rules governing used oil

transportation by 5/3/2024. If an extension is needed please let me know.

Subject: Exit Interview - TG Oil Services Inc. (FLR000222836)

Good morning,

This email serves as an Exit Interview for the Routine Compliance Evaluation Inspection conducted at your facility TG Oil Services Inc. located at 7815 W 2nd Ct Unit 7, Hialeah 33014, on 04/17/2024. First, I want to thank you for your level of cooperation and for your time given during the inspection. We truly appreciate it.

As discussed during our visit, I am reaching out to request some additional information and supporting documentation to facilitate the completion of the inspection report that would count toward your compliance status. Please provide the following by **05/03/2024**.

- Acceptance / Delivery records **per 40 CFR 279.46.**
  - February, April, and September 2023
  - March, June, and November 2022

- Halogen screening records from 2024, 2023, and 2022 **per 40 CFR 279.44.**

- Create a training program and provide training records for all employees **per 62-710.600 F.A.C.** (see regulation details below)
  - (2) To become certified and to maintain certification, used oil transporters shall:
    - (a) Register annually with the Department and comply with the annual reporting and record keeping requirements pursuant to Rules 62-710.500 and 62-710.510, F.A.C.;
    - (b) Show evidence of familiarity with applicable state laws and rules

governing used oil transportation by submitting a certification that the used oil transporter is familiar with applicable Florida and federal laws and rules governing used oil transportation, and has an annual and new employees training program in place covering the applicable rules;

- (c) Maintain a record of training in the company's operating record and the individual personnel files indicating the type of training received along with the dated signature of those receiving and providing the training. These records shall be retained for a minimum of three years and available for review by Department personnel during inspections;
- (d) Submit to the Department an annual certification in conjunction with the annual registration required under Rule 62-710.500, F.A.C., which states that the used oil transporter is familiar with applicable Florida and federal laws and rules governing used oil transportation, has an annual and new employees training program in place covering the applicable rules that is still operating and is being adhered to and is annually reviewed and updated to address changes in regulations which apply to the operation, and which provides an explanation of any modifications to the training program.

If you have any questions please feel free to contact me.
