Brad and Gloria,

This email is to notify FDEP of a landfill fire at approximately 12:30 am on 4/18/2011. A 30 foot diameter landfill fire was reported on the South slope of Class I. Volusia County Fire Services was dispatched to the scene and extinguished the fire with water and then a foam layer. Solid Waste staff has placed a dirt layer over the area and operations in that area continue. If you have any questions or need additional information please let me know.

Thanks,
Jennifer Stirk
