Kim:

Omni requests an extension to respond to the December 7, 2011 RAI for our JED facility 5-yr permit renewal application. The response deadline is January 6, 2012. Due to the holidays and secondary RAI clarification letter issued on December 29th, we could use additional time to prepare an adequate response. Omni proposes January 31, 2012 as the new deadline. Please let me know if this is acceptable.

Thanks,

Mike Kaiser
