Hi Kim,

On another note, did you already receive notice that we are starting the 2012 Vista LFG work per plan? You are welcome to visit here as well. The work consists of expanding system to include additional five vertical extraction wells – 4 in Cell 2 and one in Cell 1 – extend 12 headers, add 6 inch laterals, wellheads and one condensate sump.

Ok, thanks Debbie. We will be there at about 10am. It will not be a compliance inspection, just a 'construction certification inspection'. Allen Rainey will be accompanying me – he will be doing your GW report reviews and this will be a good time for him to see the site.
Thank you,

Kim:

Looks like Tuesday April 16, 2013 will be a good day for you to observe the repairs to the Pine Ridge Stormwater pipes.

Thanks.

Debbie
