RE: Industrial Water Services, Inc.
Jacksonville Facility Used Oil Permit Renewal
EPA ID No.: FLD 981 928 484
Permit Nos: 72815-HO-009 and 72815-SO-010
Notice of Deficiency

Dear Ms. Stallworth:

The Florida Department of Environmental Protection (Department) has received your permit renewal application dated October 17, 2007 to operate a Used Oil Processing and Solid Waste Management Facility at 1650 Talleyrand Avenue, Jacksonville, Florida.

The review of the permit renewal application indicates that it is incomplete. Please provide the information requested in the enclosed summary. In preparing your response, the Department recommends that you identify each comment followed by your response and also provide your revised pages of the application. The revised pages are to include the new revision date.

Further action on processing your application is temporarily held in abeyance pending receipt of your complete response. Please submit three copies (two copies to Tallahassee and one copy to Northeast district office) of your written response within 30 days of receipt of this notice. If you cannot submit this information within 30 days, you must formally request an extension and provide a schedule, with dates, indicating when this information will be submitted.

Notice of Deficiency

1. **Part I, page 8 # 11:** Please correct the entry in Part I, page 8 # 11, by entering the name of the Corporation which owns Industrial Water Services, Inc.
2. **Attachment C.4, page1:** Please include in this section a statement that IWS is operating as a Used Oil transporter and transfer facility. Also check the appropriate items in Application – Part I, page 8,#3.
3. **Attachment C.6&7, page11:** The SPCC plan certification page must be signed by the management.
4. **Site Map and Tank Table:** Please provide a site map (8 ½"x11") in electronic format (PDF) identifying all tanks and also a tank table (8 ½ "x11") in electronic format (PDF). Please send the map and tank table via e-mail, so that the map and tank table can be attached to the permit. Also include hard copies of the map and tank table with your response.
5. **Closure Cost Estimate Form:** Please provide justification for changes in the submitted cost estimate amount. However, the Department has not received the DAF tank closure Certification Report. Until the closure Certification Report has been accepted by the Department, the facility cannot reduce the cost estimates from \$250,000.00 to \$235,346.00. Please review, revise and resubmit closure cost estimates.
