Dear Mr. Kuncicky:

I have reviewed the above draft permit and offer the following comment:

- 1) Page one of the draft permit under Tank Storage states; "Utilization of one horizontal tank with a capacity of 10,000 gallons and one vertical tank with a capacity of 15,000 gallons for Used Oil Processing. The Used Oil Processing will be used by Atlantic Industrial Services, Inc.". Atlantic Industrial Services, Inc. is no longer conducting operations at this location.
