Dear Mr. Wier:

This is in response to the June 4, 2008 No Further Action (NFA) Proposal for the East Drum and Blasting Sand Area submitted by Geovac Environmental Services, Inc. (Geovac), on behalf of McKenzie Tank Lines, Inc., (FDEP ID# COM_71868) located at 2778 West Tharpe Street, Tallahassee, Leon County, Florida.

Upon review, we are unable to approve your NFA request as the groundwater sampling logs and analytical data sheets for the January 31, 2008 re-sampling of well MW-2D were not included in the proposal as was requested in our April 25, 2008 letter.

This information is needed in order for the Department to consider your NFA Proposal for the East Drum Area and Blasting Sand Area. The information should be submitted by October 31, 2008.

If you have any questions, please contact Julie Ann Hardy, Project Manager, at (850) 595-8360, extension 1211 or by e-mail at julie.hardy@dep.state.fl.us.

Sincerely,

Alex Webster, P.G.
Brownfield Coordinator
