Non-Compliance Letter NCL08-2425HWSNY16NED  
EPA/DEP ID: FLR 000 119 784  
Duval County - Hazardous Waste**

Dear Ms. Smothers:

The purpose of this letter is to advise you of possible violations of law for which you may be responsible and to seek your cooperation in resolving the matter. Hazardous waste program compliance inspections were conducted on August 6, 2007, and on November 7, 2008, which indicate that violations of Florida Statutes and Rules may exist at your facility. Florida Department of Environmental Protection (DEP) personnel made observations described in the attached inspection report. The "Summary of Potential Violations and Corrective Actions" section of the report lists the alleged violations.

Section 403.727, Florida Statutes, provides that it is a violation to fail to comply with rules adopted by the DEP. The activities observed during the DEP's field inspection and any other activities at your facility that may be contributing to violations of Florida Statutes or Rules should be ceased.

PLEASE BE ADVISED that this Non-Compliance Letter is part of an agency investigation preliminary to agency action within the meaning of Section 120.57(5), Florida Statutes. It is the DEP's intention to allow you to document compliance or corrective actions, so that this matter can be closed promptly without further enforcement. Your failure to respond in writing within 30 days of receipt of this
