RE: Updated DEP Form 62-730.900(2)(a) for Perma-Fix of Florida (FLD980711071)

Dear Mr. Kuncicky:

In response to an internal audit item identified by Schreiber, Yonley & Associates, I am submitting an updated DEP Form 62-730.900(2)(a). The original form was submitted as part of the Perma-Fix of Florida hazardous waste permit application in 2004/2005. The version of the form dated 12/8/2004 in my file copy of the permit application listed my predecessor as the facility contact. I have updated the form to list me as facility contact, and I have updated permit information to reflect current status. The only other change is due to the newer version of the form (effective 1/29/2006), which requires NAICS codes instead of the SIC codes required on the previous version of the form.

If you have any questions regarding this information, please feel free to call me at (352) 395-1356 or e-mail me at [kfogleman@perma-fix.com](mailto:kfogleman@perma-fix.com).

Sincerely,

Kurt Fogleman  
Environmental, Health and Safety Manager
