	1 - Report of a large structure fire handled by local agencies and/or local mutual aid.
Incident Occurred Date/Time:	05/10/2009 02:38 AM EDT
Caller:	Victor San Agustin
Caller Address:	
Callback #:	407 859 4441 Time of Call: 05/10/2009 02:38 AM EDT
Caller Represents:	Perma-Fix Environmental Services

### Comments

NRC Fax # 905159 states " Verbatim" caller is reporting a fire in a mix box. Caller states the mix box is used to storage non-hazardous waste products. Caller states there were some oily rags that caught a fire due to increase weather. Caller states the temp. was 96 and they believe that was a factor in the materials catching on fire. Caller states an investigation is underway. Caller states the company disposes of hazardous and non-hazardous waste.
