6/23/2009 2:12:29 PM	I have been in contact with Joe Malone in regards to their 8700. He did not complete the first and last pages of the form, so I sent him an e-mail explaining the items needed to be filled out. I have since received the completed pages via e-mail and will process the documents. I also asked if their insurance company, Illinois National, covered their pollution coverage, the answer was yes, via e-mail.	Bolton_S
6/24/2009 9:54:13 AM	This is a new facility, waiting for approval. Generated a Certificate of Approval using a word document, since we have all documents to register them.	Bolton_S
6/25/2009 11:19:41 AM	Need clarification for halogen testing and training manual	Graves_A
6/30/2009 4:48:21 PM	Annual Report file is in the "Have not been entered into FoxPro" Folder	Noland_T
7/16/2009 11:04:14 AM	Since this is a new facility, no Annual Report is available. Another issue: the training manual procedure does not meet DEP requirements. Will contact the facility and request modification of the Training Manual to meet requirements	Graves_A
