July 2, 2004

Ms. Janine Kraemer, CHMM
Florida DEP
3319 Maguire Blvd
Suite 232
Orlando, FL. 32803

Dear Ms. Kraemer:

As requested in an e-mail received on June 3, 2004 I have attached additional information as requested. Please find herein, documentation or reference thereof.

- 1.) "For each rejected container since August 2003 to Present: the date returned, the facility the waste came from, reason for rejection, status and date of exit." **This information is attached and identified as attachment # 4**
- 2.) "A daily inventory of the storage area and loading dock, including the number of containers and size of containers....August 2003 to Present." **Perma-Fix of Orlando has supplied a summary report for Date 8/1/2003 through 7/2/2004. This task presented a challenge such as PFO had not generated these reports on a daily basis. Programmers with Perma-Fix Environmental Corporate constructed a complex report that took "snap shots" of the Waste Management System. This information was the pulled to the report. This information is attached and identified as attachment #2. I personally am not satisfied with the report as there is no way to verify the accuracy of data from nearly one year ago. Should the Department interpret Condition 19 (k) and (l) as requiring hard copy data this data will need to be captured in a different manner. One suggestion is a simple one to two page report that gives summary volume information that could be printed on a daily basis. A "rough draft" to this report is attached and identified as attachment # 1.**
- 3.) "Used Oil Training Documentation for drivers picking up used oil and filters" In conversations with Richard Neves of the Florida Department of Environmental Protection, he stated the Perma-Fix of Orlando elected to use the UAUOS Training Manual and Certification (which was approved by the FDEP). Perma-Fix of Orlando was originally registered and certified in 1997. All original UAUOS Data has been located. (Attachment #3) Unfortunately, I personally have not located ANY signoff sheets for original training nor subsequent annual training as required by statute. Training will be scheduled immediately.

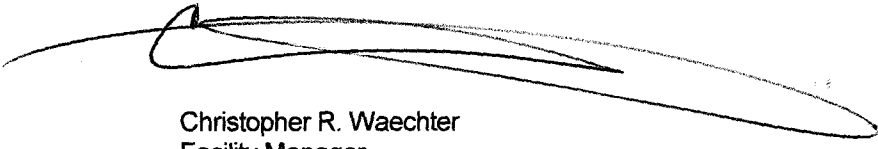

INCORPORATED

Should you have any questions please do not hesitate to give me a call at the Orlando facility.
