Dear Ms. Kraemer:

This is to submit the above referenced monthly report as required by executed Consent Order No. 04-1771.

Based on our data obtained from our computerized waste inventory system, our maximum hazardous waste container storage count and total hazardous waste volume during any day in April, 2006 was 727 containers or a total equivalent volume of 33,444 gallons. Our permit limits are 824 – 55 gallon drums or a total volume equivalent of 45,320 gallons. The wastes were in our permitted storage and permitted consolidation areas.

If you have any questions, please do not hesitate to call myself at 407/859-4441 or Victor San Agustin at 407/341-3351.

Sincerely,

Perma-Fix of Orlando, Inc.
