Consent Order

Dear Mr. Waechter:

On April 13, 2005, Perma-Fix signed a Consent Order entering into an agreement with the Department. The purpose of the Consent Order was to complete the resolution of matters previously identified by the Department in the Warning Letter, OWL-HW-C/E-04-025, dated August 12, 2004. The Department agreed to allow Perma-Fix to offset penalties from that enforcement action by implementing a Supplement Environmental Project (SEP).

On August 31, 2005, you indicated by telephone that Perma-Fix was no longer interested in participating in the SEP. Perma-Fix must pay the remaining balance of the civil penalty of \$41,076.00, by September 10, 2005. The payment must be made payable to the Department of Environmental Protection by cashier's check or money order and shall include the OGC File Number assigned 03-2153 and the notation "Ecosystems Management and Restoration Trust Fund." Payment shall be sent to the Department of Environmental Protection, 3319 Maguire, Suite 232, Orlando, FL 32803.

If you have questions concerning this matter, please e-mail Janine Kraemer at Janine.Kraemer@floridadep.net or call her at (407) 893-3323. Your response to this request for information should be mailed to Janine Kraemer at the letterhead address above.

Sincerely,

Vivian F. Garfein
Director, Central District
